## Index to Volume IX, 1968

### A

- Abortion—*quo vadimus*, Therapeutic. Francis J. Kane, Jr., and John A. Ewing. 202
- Activity study of Doxepin, a new antidepressant. Adam J. Krakowski. 89
- Adams, Paul L.: Childhood ulcerative colitis: outlines of psychotherapy. 75
- Agnew, H. W., Jr., W. B. Webb and R. L. Williams: The effect of sleep therapy on EEG sleep patterns. 135
- Alcohol, A new approach to the treatment of acute withdrawal from. David H. Knott and James D. Beard. 311
- Alcoholic municipal court offender, A comparative evaluation of compulsory (group and/or antabuse) and voluntary treatment of the. D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara and J. R. Bossetta. 308
- Allergic patient, The psychological care of the. James A. Knight. 160
- Allergic predisposition in asthma, Interaction of personality variables and. Michael Hirt, Richard Goldberg and I. Leonard Bernstein. 340
- Ambivalence, The consequences of. Mortimer Ostow. 255
- Ambulatory patients, Indications for the use of psychotherapy in combination with psychotropic drugs in. Stanley Lesse. 84
- Antidepressant activity of thiothixene ("Navane"), A comparison of open-study and double-blind study evaluations of the. Elizabeth Hackett, Richard L. Gold and Nathan S. Kline. 103
- Antidepressant, Activity study of Doxepin, a new. Adam J. Krakowski. 89
- Antidepressant power of thiothixene, The antipsychotic and. Veronica M. Pennington. 346
- Antipsychotic and antidepressant power of thiothixene, The. Veronica M. Pennington. 346
- Anxiety and depression, A double-blind study of perphenazine-amitriptyline in. Treating psychical disturbances induced by physical disorders. W. Grayburn Davis. 44
- Anxiety, Double-blind study of prazepam in the treatment of. Edwin Dunlop and Jerry Weisberg. 235
- Anxiety levels and premenstrual libido changes, Characterological. Richard I. Shader, Alberto DiMascio and Jerold Harmatz. 197
- Asthma, Interaction of personality variables and allergic predisposition in. Michael Hirt, Richard Goldberg and I. Leonard Bernstein. 340
- Attentional profile: a method for psychiatric diagnosis, The. M. J. Meldman. 152
- Auyong, Theodore K., Robert C. Eelkema and David J. Mersy: Relationship of serum urate levels to occupation and mental retardation. 199

### B

- Barbiturate poisoning, Metrazol treatment of. J. Dennis Freund. 172
- Beard, James D., and David H. Knott: A new ap-

- proach to the treatment of acute withdrawal from alcohol. 311
- Becker, Barbara, and W. D. Snively, Jr.: Body fluids and neuro-psychologic disturbances. 295
- Berblinger, Klaus W.: A psychiatrist looks at loneliness. 97
- Bercel, Nicholas A.: Pharmacotherapy of the depressions with protriptyline (Vivactil®). 30
- Bernstein, I. Leonard, Michael Hirt and Richard Goldberg: Interaction of personality variables and allergic predisposition in asthma. 340
- Bishop, M. P. M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara, J. R. Bossetta and D. M. Gallant: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Body fluids and neuro-psychologic disturbances. W. D. Snively, Jr., and Barbara Becker. 295
- Bossetta, J. R., D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop and A. M. Brisolara: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Brief psychotherapy. Frederick Lemere. 81
- Brisolara, A. M., J. R. Bossetta, D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper and D. Lathrop: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Brody, Matthew: Depression and somatic illness (the neuro-patho-neuroses). 245
- Brummit, Houston: The use of long-acting tranquilizers with hyperactive children. 157
- Bucci, Luigi: Fluphenazine hydrochloride in small doses. 344

### C

- Cardiovascular disorders, Treatment of depression associated with gastrointestinal and. Fred S. Carter. 314
- Carter, Fred S.: Treatment of depression associated with gastrointestinal and cardiovascular disorders. 314
- Cerebral atherosclerosis, The management of. Francis H. Stern. 229
- Characterological anxiety levels and premenstrual libido changes. Richard I. Shader, Alberto DiMascio and Jerold Harmatz. 197
- Childhood ulcerative colitis: outlines of psychotherapy. Paul L. Adams. 75
- Children, Peptic ulcers in. R. Dean Coddington. 38
- Chronic and crippling illness, Psychiatric implications of. Neal E. Krupp. 109
- Chronic disease, Emotional disturbances of older women with. John M. Coleman. July-August, Section 2. 27
- Chronic schizophrenic population, Use of haloperidol in a "hard-core". Harold Lee. 267
- Climacterium, Severe emotional reactions precipitated by the. Thomas Detre. July-August, Section 2. 31
- Coddington, R. Dean: Peptic ulcers in children. 38

- Coleman, John M.: Emotional disturbances of older women with chronic disease. July-August, Section 2. 27
- Colitis: outlines of psychotherapy, Childhood ulcerative. Paul L. Adams. 75
- Community psychiatry—some special factors in providing comprehensive mental health care in the non-urban setting. Robert T. Corney. 140
- Comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. A. D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara and J. R. Bossetta. 306
- Comparison of open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"), A. Elizabeth Hackett, Richard L. Gold and Nathan S. Kline. 103
- Comprehensive management of psychiatric emergencies. Shervert H. Frazier. 7
- Consequences of ambivalence, The. Mortimer Ostrow. 255
- Cooper, A., D. Lathrop, A. M. Brisolara, J. R. Bossetta, D. M. Gallant, M. P. Bishop, M. A. Faulkner and L. Simpson: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Corney, Robert T.: Community psychiatry — some special factors in providing comprehensive mental health care in the non-urban setting. 140
- Crede, Robert H.: The physician, emotions and medical illness. 1
- Crippling illness, Psychiatric implications of chronic and. Neal E. Krupp. 109
- Cultural variables affecting somatic complaints and depression. Marvin K. Opler and S. Mouchly Small. 261
- D**
- Daniels, Robert S., and William Hicks: The dying patient, his physician and the psychiatric consultant. 47
- Davis, W. Grayburn: Treating psychical disturbances induced by physical disorders. A double-blind study of perphenazine-amitriptyline in anxiety and depression. 44
- Denber, Herman C. B., and David N. Teller: Studies on Mescaline XIX: a new theory concerning the nature of schizophrenia. 145
- Denber, Herman C. B.: Sexual problems in the mature female. July-August, Section 2. 40
- Depression. A double-blind study of perphenazine-amitriptyline in anxiety and. Treating psychical disturbances induced by physical disorders. W. Grayburn Davis. 44
- Depression, A more effective method for the use of imipramine in. Arnold Sadwin and Harold Dillon. 175
- Depression and somatic illness (the neuro-patho-neuroses). Matthew Brody. 245
- Depression associated with chronic gastrointestinal and cardiovascular disorders, Treatment of. Fred S. Carter. 314
- Depression as viewed through neurologic spectacles. Charles F. Nicol. 252
- Depression: a trichotomy, The treatment of. William W. K. Zung. 215
- Depression, Cultural variables affecting somatic complaints and. Marvin K. Opler and S. Mouchly Small. 261
- Small 261
- Depression, Hypochondriasis as a defense against. Wilfred Dorfman. 248
- Détre, Thomas: Severe emotional reactions precipitated by the climacterium. July-August, Section 2. 31
- Deutsch, Sheldon F.: Recent contributions in psychocrinology. 127
- Deutsch, Sheldon F.: Recent contributions to psychocrinology, part II. 217
- Dillon, Harold, and Arnold Sadwin: A more effective method for the use of imipramine in depression. 175
- DiMascio, Alberto, Jerold Harmatz and Richard I. Shader: Characterological anxiety levels and premenstrual libido changes. 197
- Dion, Harry, Karl Rickels, Paul E. Gordon, Robert Mecklenburg, Lester Sablosky and Edward M. Whalen: Iprindole in neurotic depressed general practice patients: a controlled study. 208
- Dorfman, Wilfred: Hypochondriasis as a defense against depression. 248
- Dorfman, Wilfred: Role of the practitioner in the comprehensive management of the patient. Psychosomatic and somatopsychic implications of medical practice. 16
- Double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"), A comparison of open-study and. Elizabeth Hackett, Richard L. Gold and Nathan S. Kline. 103
- Double-blind study of perphenazine-amitriptyline in anxiety and depression, A. Treating psychical disturbances induced by physical disorders. W. Grayburn Davis. 44
- Double-blind study of prazepam in the treatment of anxiety. Edwin Dunlop and Jerry Weisberg. 235
- Double-blind study of the use of imipramine (Tofranil) in enuresis. Paul C. Laybourne, Jr., Neil E. Roach, Berno Ebbesson and Stanley Edwards. 282
- Doxepin, a new antidepressant, Activity study of. Adam J. Krakowski. 89
- Dream patterns, The effects of fever on sleep and. Ismet Karacan, S. M. Wolff, Robert L. Williams, C. J. Hursch and Wilse B. Webb. 331
- Dunlop, Edwin: Emotional imbalance in the premenopausal women. July-August, Section 2. 44
- Dunlop, Edwin, and Jerry Weisberg: Double-blind study of prazepam in the treatment of anxiety. 235
- Dying patient, his physician and the psychiatric consultant, The. William Hicks and Robert S. Daniels. 47
- E**
- Ebbesson, Berno, Stanley Edwards, Paul C. Laybourne, Jr., and Neil E. Roach: Double-blind study of the use of imipramine (Tofranil) in enuresis. 282
- Educational potential of the psychiatric consultation, The. Robert L. Williams. 63
- Edwards, Stanley, Paul C. Laybourne, Jr., Neil E. Roach and Berno Ebbesson: Double-blind study of the use of imipramine (Tofranil) in enuresis. 282
- EEG sleep patterns, The effect of sleep therapy on. H. W. Agnew, Jr., W. B. Webb and R. L. Williams. 135
- Elkema, Robert C., David J. Mersy and Theodore K. Auyong: Relationship of serum urate levels to occupation and mental retardation. 199
- Effect of sleep therapy on EEG sleep patterns, The. H. W. Agnew, Jr., W. B. Webb and R. L. Williams. 135

- E**
- Effects of fever on sleep and dream patterns, The. Ismet Karacan, S. M. Wolff, Robert L. Williams, C. J. Hursch and Wilse B. Webb. 331
- Eisenberg, Henry, Merton S. Honeyman, Herbert Rappaport, Marvin Reznikoff and Bernard C. Glueck, Jr.: Psychological impact of heart disease in the family of the patient. 34
- Elderly women receiving rehabilitative therapy, Treatment of emotional problems of. Marshall A. Falk. July-August, Section 2. 36
- Emotional disturbances of older women with chronic disease. John M. Coleman. July-August, Section 2. 27
- Emotional imbalance in the premenopausal woman. Edwin Dunlop. July-August, Section 2. 44
- Emotional problems of elderly women receiving rehabilitative therapy, Treatment of. Marshall A. Falk. July-August, Section 2. 36
- Emotional problems of women—the mature years and beyond. Alexander Simon. July-August, Section 2. 12
- Emotional reactions precipitated by the climacterium, Severe. Thomas Detre. July-August, Section 2. 31
- Emotions and medical illness, The physician. Robert H. Crede. 1
- Enuresis, Double-blind study of the use of imipramine (Tofranil) in. Paul C. Laybourne, Jr., Neil E. Roach, Berno Ebbesson and Stanley Edwards. 282
- Evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender, A comparative. D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara and J. R. Bossetta. 306
- Ewing, John A., and Francis J. Kane, Jr.: Therapeutic abortion—quo vadimus. 202
- F**
- Falk, Marshall A.: Treatment of emotional problems of elderly women receiving rehabilitative therapy. July-August, Section 2. 36
- Female, Frigidity, impotence and the. Maurice J. Martin. 225
- Faulkner, M. A., L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara, J. M. Bossetta, D. M. Gallant and M. P. Bishop: A comparative evaluation of compulsory (group and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Female, Sexual problems in the mature. Herman C. B. Denber. July-August, Section 2. 40
- Fever on sleep and dream patterns, The effects of. Ismet Karacan, S. M. Wolff, Robert L. Williams, C. J. Hursch and Wilse B. Webb. 331
- Fischer, H. Keith: The problem of pain from the psychiatrist's viewpoint. 319
- Fluphenazine hydrochloride in small doses. Luigi Bucci. 344
- Forman, Joseph B.: Hormonal vs. psychosomatic disturbances of the menopause. July-August, Section 2. 17
- Frazier, Shervert H.: Comprehensive management of psychiatric emergencies. 7
- Freedman, David A.: The influence of congenital and perinatal sensory deprivations on later development. 272
- Freund, J. Dennis: Metrazol treatment of barbiturate poisoning. 172
- Frigidity, impotence and the family. Maurice J. Martin. 225
- Gallant, D. M., M. P. Bishop, M. A. Faulkner, L. Simpson, A. Cooper, D. Lathrop, A. M. Brisolara and J. R. Bossetta: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic municipal court offender. 306
- Garner, H. H.: The medical interview and comprehensive patient care. 191
- Gastrointestinal and cardiovascular disorders, Treatment of depression associated with. Fred S. Carter. 314
- Glueck, Bernard C., Jr., Henry Eisenberg, Merton S. Honeyman, Herbert Rappaport and Marvin Reznikoff: Psychological impact of heart disease in the family of the patient. 34
- Goldberg, Richard, I. Leonard Bernstein and Michael Hirt: Interaction of personality variables in allergic predisposition in asthma. 340
- Gold, Richard L., Nathan S. Kline and Elizabeth Hackett: A comparison of open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"). 103
- Gordon, Paul E., Robert Meckelnburg, Lester Sablosky, Edward M. Whalen, Harry Dion and Karl Rickels: Iprindole in neurotic depressed general practice patients: a controlled study. 208

**G**

- H
- Hackett, Elizabeth, Richard L. Gold and Nathan S. Kline: A comparison of open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"). 103
- Haloperidol in a "hard-core" chronic schizophrenic population, Use of. Harold Lee. 267
- Harmatz, Jerold, Richard I. Shader and Alberto DiMascio: Characterological anxiety levels and premenstrual libido changes. 197
- Heart disease in the family of the patient, Psychological impact of. Merton S. Honeyman, Herbert Rappaport, Marvin Reznikoff, Bernard C. Glueck, Jr., and Henry Eisenberg. 34
- Hicks, William, and Robert S. Daniels: The dying patient, his physician and the psychiatric consultant. 47
- Hirt, Michael, Richard Goldberg and I. Leonard Bernstein: Interaction of personality variables in allergic predisposition in asthma. 340
- Holden, J. M. C., T. M. Itil and A. Keskiner: Maintenance treatment of schizophrenic outpatients with a depot phenothiazine. 166
- Honeyman, Merton S., Herbert Rappaport, Marvin Reznikoff, Bernard C. Glueck, Jr., and Henry Eisenberg: Psychological impact of heart disease in the family of the patient. 34
- Hormonal vs. psychosomatic disturbances of the menopause. Joseph B. Forman. July-August, Section 2. 17
- Hostility in senescence, Tranquility or. Charles E. Llewellyn, Jr. July-August, Section 2. 22
- Hursch, C. J., Wilse B. Webb, Ismet Karacan, S. M. Wolff and Robert L. Williams: The effects of fever on sleep and dream patterns. 331
- Hyperactive children, The use of long-acting tranquilizers with. Houston Brummit. 157
- Hypochondriasis as a defense against depression. Wilfred Dorfman. 248

**H**

- Hackett, Elizabeth, Richard L. Gold and Nathan S. Kline: A comparison of open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"). 103
- Haloperidol in a "hard-core" chronic schizophrenic population, Use of. Harold Lee. 267
- Harmatz, Jerold, Richard I. Shader and Alberto DiMascio: Characterological anxiety levels and premenstrual libido changes. 197

- Hursch, C. J., Wilse B. Webb, Ismet Karacan, S. M. Wolff and Robert L. Williams: The effects of fever on sleep and dream patterns. 331
- Hyperactive children, The use of long-acting tranquilizers with. Houston Brummit. 157
- Hypochondriasis as a defense against depression. Wilfred Dorfman. 248

## I

- Identical twins, Post-partum psychosis in. Francis J. Kane, Jr. 278  
Imipramine in depression, A more effective method for the use of. Arnold Sadwin and Harold Dillon. 175  
Imipramine (Tofranil) in enuresis, Double-blind study of the use of. Paul C. Laybourne, Jr., Neil E. Roach, Berno Ebbesson and Stanley Edwards. 282  
Impotence and the family, Frigidity. Maurice J. Martin. 225  
Indications for the use of psychotherapy in combination with psychotropic drugs in ambulatory patients. Stanley Lesse. 84  
Influence of congenital and perinatal sensory deprivations on later development, The. David A. Freedman. 272  
Intentional psychic determinants in recovery. A study of wound healing. Samuel R. Warson. 114  
Interaction of personality variables and allergic predisposition in asthma. Michael Hirt, Richard Goldberg and I. Leonard Bernstein. 340  
Iprindole in neurotic depressed general practice patients: a controlled study. Karl Rickels, Paul E. Gordon, Robert Meckelnburg, Lester Sablosky, Edward M. Whalen and Harry Dion. 208  
Itil, T. M., A. Keskiner and J. M. C. Holden: Maintenance treatment of schizophrenic outpatients with a depot phenothiazine. 166

## K

- Kane, Francis J., Jr., and John A. Ewing: Therapeutic abortion—*quo vadimus*. 202  
Kane, Francis J., Jr.: Post-partum psychosis in identical twins. 278  
Karacan, Ismet, S. M. Wolff, Robert L. Williams, C. J. Hursch and Wilse B. Webb: The effects of fever on sleep and dream patterns. 331  
Keskiner, A., J. M. C. Holden and T. M. Itil: Maintenance treatment of schizophrenic outpatients with a depot phenothiazine. 166  
Kline, Nathan S., Elizabeth Hackett and Richard L. Gold: A comparison of open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"). 103  
Knight, James A.: The psychological care of the allergic patient. 160  
Knott, David H., and James D. Beard: A new approach to the treatment of acute withdrawal from alcohol. 311  
Kovan, Robert A.: Resistance of the marathon facilitator to becoming an intimate member of the group. 286  
Kraines, S. H.: Schizophrenic physiopathology. 19  
Krakowski, Adam J.: Activity study of Doxepin, a new antidepressant. 89  
Kroger, William S., and James F. Peacock: Psychophysiological effects with an ovulation inhibitor. 67  
Krupp, Neal E.: Psychiatric implications of chronic and crippling illness. 109

## L

- Lathrop, D., A. M. Brisolara, J. R. Bossetta, D. M. Gallant, M. P. Bishop, M. A. Faulkner, L. Simpson and A. Cooper: A comparative evaluation of compulsory (group therapy and/or antabuse) and voluntary treatment of the chronic alcoholic munic-

- ipal court offender. 306  
Laybourne, Paul C., Jr., Neil E. Roach, Berno Ebbesson and Stanley Edwards: Double-blind study of the use of imipramine (Tofranil) in enuresis. 282  
Lee, Harold: Use of haloperidol in a "hard-core" chronic schizophrenic population. 267  
Lemere, Frederick: Brief psychotherapy. 81  
Lenzner, Abraham S.: The liaison psychiatric service. 326  
Lesse, Stanley: Indications for the use of psychotherapy in combination with psychotropic drugs in ambulatory patients. 84  
Liaison psychiatric service, The. Abraham S. Lenzner. 326  
Lisansky, E. T., and B. R. Shochet: Making the "double diagnosis" technique of comprehensive medical diagnosis. 12  
Llewellyn, Charles E., Jr.: Tranquility or hostility in senescence. July-August, Section 2. 22  
Loneliness, A psychiatrist looks at. Klaus W. Berblinger. 97

## M

- Macrae, Donald: Psychiatric symptoms and the neurologist. 4  
Maintenance treatment of schizophrenic outpatients with a depot phenothiazine. A. Keskiner, J. M. C. Holden and T. M. Itil. 166  
Making the "double diagnosis" technique of comprehensive medical diagnosis. B. R. Shochet and E. T. Lisansky. 12  
Management of cerebral atherosclerosis, The. Francis H. Stern. 229  
Management of psychiatric emergencies, Comprehensive. Shervert H. Frazier. 7  
Mannes, Marya: Of time and the woman. July-August, Section 2. 8  
Martin, Maurice J.: Frigidity, impotence and the family. 225  
Meckelnburg, Robert, Lester Sablosky, Edward M. Whalen, Harry Dion, Karl Rickels and Paul E. Gordon: Iprindole in neurotic depressed general practice patients: a controlled study. 208  
Medical illness, The physician, emotions and. Robert H. Crede. 1  
Medical interview and comprehensive patient care, The. H. H. Garner. 191  
Meldman, M. J.: The attentional profile: a method for psychiatric diagnosis. 152  
Menopause, Hormonal vs. psychosomatic disturbances of the. Joseph B. Forman. July-August, Section 2. 17  
Mental health care in the non-urban setting, Community psychiatry—some special factors in providing comprehensive. Robert T. Corney. 140  
Mental retardation, Relationship of serum urate levels to occupation and. David J. Mersy, Theodore K. Auyong and Robert C. Eelkema. 199  
Mersy, David J., Theodore K. Auyong and Robert C. Eelkema: Relationship of serum urate levels to occupation and mental retardation. 199  
Mescaline XIX: a new theory concerning the nature of schizophrenia, Studies on. Herman C. B. Denber and David N. Teller. 145  
Metrazol treatment of barbiturate poisoning. J. Dennis Freud. 172  
More effective method for the use of imipramine in depression, A. Arnold Sadwin and Harold Dillon. 175

## N

- Neurologic spectacles, Depression as viewed through. Charles F. Nicol. 252  
Neurologist, Psychiatric symptoms and the. Donald Macrae. 4  
Neuro-psychologic disturbances, Body fluids, and. W. D. Snively, Jr., and Barbara Becker. 295  
Neurotic depressed general practice patients: a controlled study, Iprindole in. Karl Rickels, Paul E. Gordon, Robert Meckelburg, Lester Sablosky, Edward M. Whalen and Harry Dion. 208  
New approach to the treatment of acute withdrawal from alcohol, A. David H. Knott and James D. Beard. 311  
Nicol, Charles F.: Depression as viewed through neurologic spectacles. 252

## O

- Occupation and mental retardation, Relationship of serum urate levels to. David J. Mersy, Theodore K. Auyong and Robert C. Eekema. 199  
Of time and the woman. Marya Mannes. July-August, Section 2. 8  
Open-study and double-blind study evaluations of the antidepressant activity of thiothixene ("Navane"), A comparison of. Elizabeth Hackett, Richard L. Gold and Nathan S. Kline. 103  
Opfer, Marvin K., and S. Mouchly Small: Cultural variables affecting somatic complaints and depression. 261  
Ostow, Mortimer: The consequences of ambivalence. 255  
Ovulation inhibitor, Psychophysiological effects with an. William S. Kroger and James F. Peacock. 67

## P

- Pain from the psychiatrist's viewpoint, The problem of. H. Keith Fischer. 319  
Papas, Aris T., and William Schwartz: Verbal communication in therapy. 71  
Patient care, The medical interview and comprehensive. H. H. Garner. 191  
Peacock, James F., and William S. Kroger: Psychophysiological effects with an ovulation inhibitor. 67  
Pennington, Veronica M.: The antipsychotic and anti-depressant power of thiothixene. 346  
Peptic ulcers in children. R. Dean Coddington. 38  
Perphenazine-amitriptyline in anxiety and depression, A double-blind study of. Treating psychical disturbances induced by physical disorders. W. Grayburn Davis. 44  
Personality variables and allergic predisposition in asthma, Interaction of. Michael Hirt, Richard Goldberg and I. Leonard Bernstein. 340  
Pharmacotherapy of the depressions with protriptyline (Vivactil®). Nicholas A. Bercel. 30  
Phenothiazine, Maintenance treatment of schizophrenic outpatients with a depot. A. Keskiner, J. M. C. Holden and T. M. Itil. 166  
Physical disorders, Treating psychical disturbances induced by. A double-blind study of perphenazine-amitriptyline in anxiety and depression. W. Grayburn Davis. 44  
Physician, emotions and medical illness, The. Robert H. Crede. 1  
Physiopathology, Schizophrenic. S. H. Kraines. 19

- Post-partum psychosis in identical twins. Francis J. Kane, Jr. 278

Prazepam in the treatment of anxiety, Double-blind study of. Edwin Dunlop and Jerry Weisberg. 235

Premenopausal woman, Emotional imbalance in the. Edwin Dunlop. July-August, Section 2. 44

Premenstrual libido changes, Characterological anxiety levels and. Richard I. Shader, Alberto DiMascio and Jerold Harmatz. 197

Problem of pain from the psychiatrist's viewpoint, The. H. Keith Fischer. 319

Protriptyline (Vivactil®), Pharmacotherapy of the depressions with. Nicholas A. Bercel. 30

Psychiatric consultant, The dying patients, his physician and the. William Hicks and Robert S. Daniels. 47

Psychiatric consultation, The educational potential of the. Robert L. Williams. 63

Psychiatric diagnosis, The attentional profile: a method for. M. J. Meldman. 152

Psychiatric emergencies, Comprehensive management of. Shervert H. Frazier. 7

Psychiatric implications of chronic and crippling illness. Neal E. Krupp. 109

Psychiatric symptoms and the neurologist. Donald Macrae. 4

Psychiatrist looks at loneliness, A. Klaus W. Berblinger. 97

Psychiatry—some special factors in providing comprehensive mental health care in the non-urban setting. Community. Robert T. Corney. 140

Psychic determinants in recovery, Intentional. A study of wound healing. Samuel R. Warson. 114

Psychical disturbances induced by physical disorders, Treating. A double-blind study of perphenazine-amitriptyline in anxiety and depression. W. Grayburn Davis. 44

Psychoendocrinology, Recent contributions in. Sheldon F. Deutsch. 127

Psychoendocrinology, part II, Recent contributions in. Sheldon F. Deutsch. 217

Psychological care of the allergic patient, The. James A. Knight. 160

Psychological impact of heart disease in the family of the patient. Merton S. Honeyman, Herbert Rappaport, Marvin Reznikoff, Bernard C. Glueck, Jr., and Henry Eisenberg. 34

Psychophysiological effects with an ovulation inhibitor. William S. Kroger and James F. Peacock. 67

Psychosis in identical twins, Post-partum. Francis J. Kane, Jr. 278

Psychosomatic and somatopsychic implications of medical practice. Role of the practitioner in the comprehensive management of the patient. Wilfred Dorfman. 16

Psychosomatic disturbances of the menopause, Hormonal vs. Joseph B. Forman. July-August, Section 2. 17

Psychotherapy, Brief. Frederick Lemere. 81

Psychotherapy in combination with psychotropic drugs in ambulatory patients, Indications for the use of. Stanley Lesse. 84

## R

Rappaport, Herbert, Marvin Reznikoff, Bernard C. Glueck, Jr., Henry Eisenberg and Merton S. Honeyman: Psychological impact of heart disease in the family of the patient. 34
